

Axon Wave Privacy Policy

Effective Date: June 12, 2025

Introduction

Privacy Policy for Axon Wave

Effective Date: [Insert Date]

This Privacy Policy describes how Healthy Paths, Inc., doing business as Axon EEG Solutions ("we," "us," or "our"), collects, uses, and protects information through the Axon Wave application ("Axon Wave" or "App").

1. About Axon Wave

Axon Wave allows users to transform EEG data files (EDF format) into qEEG-style images and securely store them for later review. It is designed for educational, observational, and research use only. The App is not a diagnostic tool and is not approved by the U.S. Food and Drug Administration (FDA) as a medical device.

2. Information We Collect

To use Axon Wave, users must create an account. During registration, we collect:

Name

Email address (used as username)

Password

Role (e.g., provider, researcher, student)

Users may upload EEG data files in .EDF format through local upload or integrated cloud services (e.g., Google Drive, Dropbox).

3. Data We Do Not Collect

We do not collect or store:

Axon Wave Privacy Policy

Effective Date: June 12, 2025

Protected Health Information (PHI)

Patient names or identifiers

Symptom or diagnostic data

Billing, insurance, or financial records

4. How We Use Your Information

Uploaded files are stored securely within each user's account on Amazon Web Services (AWS) infrastructure. Files are used solely to allow users to view EEG data in a visually enhanced format. We do not share, analyze, sell, or reuse uploaded files for any other purpose.

5. No AI or Automated Processing

The Axon Wave App does not use artificial intelligence (AI), algorithms, or automated analysis. The app provides static visualizations only.

6. Data Storage and Security

All accounts are password-protected and stored on secure servers through AWS. Login credentials are encrypted in transit and at rest. While no PHI is collected, we follow best practices for data protection and account integrity.

7. Data Retention

We retain uploaded files and account data as long as the account is active. Users can delete their account at any time, which permanently removes all associated data from our system.

8. Your Rights

Users may:

- Download their uploaded files
- Contact support with questions
- Delete their account and associated files

To exercise any of these rights, email us at: info@axoneegsolutions.com

9. Children's Privacy

Axon Wave is not intended for children under the age of 13. We do not knowingly collect data from children.

10. Sensitive Data Disclaimer

Although EEG data may be considered sensitive or biometric under certain state laws (e.g., Colorado), Axon Wave does not collect patient identifiers or clinical data. All use is for observational, educational, or research-related purposes only.

11. Not a Diagnostic Tool

Axon Wave is not intended to diagnose, treat, or monitor medical conditions. It has not been reviewed or approved by the FDA. Use of the App is for informational purposes only and should not replace clinical decision-making by qualified professionals.

12. Policy Updates

We may revise this Privacy Policy as needed. Changes will be posted to our website with an updated effective date. Continued use of the App constitutes acceptance of those changes.
